05 Use

The Equipment will be in good working order and good condition upon delivery. Lessee shall use the equipment in a careful and proper manner and shall comply with all laws, ordinances, and regulations which relate in any way to the possession, use and/or maintenance of the rented equipment. The Lessee will use the Equipment for the purpose for which it was designed and not for any other purpose. 07 Hold harmless

The Lessee agrees to indemnify, defend, and hold harmless the Owner, its agents, employees, and affiliates, from and against any and all claims, losses, damages, liabilities, costs, and expenses (including legal fees) arising from the Lessee's use operation, or possession of the rented equipment. Lessee's failure to comply with any applicable laws, regulations, or safety instructions related to the equipment. This indemnification obligation shall survive the termination of this Agreement.

08 Insurance

The Lessee will, during the whole Term and for as long as the Lessee has possession of the Equipment, take out, maintain, and pay for comprehensive general liability insurance against claims for bodily injury, including death, and property damage or loss arising out of the use of the Equipment.

The insurance will be in the joint name of the Lessor and the Lessee so that both the Lessor and the Lessee will be protected from liability and will provide primary and non-contributing coverage for the Lessor. Upon written demand by the Lessor, the Lessee will provide the Lessor with an original policy or certificate evidencing such insurance.
